Our Leader — Mr. Powell

A model for students and teachers alike, Mr. Stanley Powell served as head administrator of Captain Shreve. His responsibilities were never-ending. The role of a principal was a difficult one with many decisions to be made. But Mr. Powell's judgement was trusted by all, and whatever his choice, the students knew it was the best one.

In addition to being an academic leader, Mr. Powell showed his GATOR spirit and support by participating in pep rallies and attending most sports events and other school functions.

Mr. Powell was as necessary a part of the school as the teachers and student body. He will be remembered by each student who passed through the halls of Captain Shreve on his way to the future.

TOP: Mr. Powell and a friend look to the future. ABOVE: Mr. Powell reads a book to his grandchildren.

Assistant Principals Show School Spirit

The assistant principals this year were Mr. Donald Horton and Miss Sandra McCalla, whose combined efforts helped to achieve school unity.

Miss McCalla's primary concern was in the instructional area. She assisted in preparing the class schedule, observed classes, and performed many other valuable services.

Mr. Horton's duties were to coordinate student activities and deal with disciplinary problems. He also supervised athletic events along with other needed services. Both assistant principals had school spirit and worked hard for the Gators.

Counselors Aid in Students' Future

The counselors were busy with student orientation, but they also aided students in personal ways. They were always available to aid or counsel students any time in any way possible. If a student had a problem, the counselors could often be seen conferring with that student.

However, besides aiding students with problems, the counselors also helped prepare students for their future, whether it was college or a job. They obtained many representatives from different colleges to confer with the students. During the past year, the counselors administered various achievement and scholastic aptitude tests.

Office Volunteers Are Helpful

Office workers were an essential part of Captain Shreve. These workers volunteered to work in the office during their study hall. The volunteers checked students in and out, answered the telephones, and took care of absentees. If the students had not volunteered to work in the office it would have been difficult to maintain the structure of the office.

Secretaries signed check out request forms, called the parents, kept the books, registered new students, and performed many other duties. The help of the secretaries and office volunteers was greatly needed in keeping organization at Captain Shreve.

Learning Center Is Helping

The Learning Center was a place for students to study and have fun. There was a quiet side for those who chose to study or do homework and a loud side for those students who liked to watch movies, read magazines or visit with friends. Supervising the learning center were several aides who also checked the role daily. Study hall was helpful for all students since it gave some an hour away from a regular class routine and others an extra hour for school work.

The Library Is a Nice Place

The librarians at Captain Shreve always maintained a quiet and relaxed atmosphere. Miss Ramsey and Mrs. Valore administered a library program that provided all types and kinds of instructional resources for students and faculty. Mrs. Davis took care of all the clerical duties. The librarians received some help from the library workers who chose Library Science for credit or volunteered during their study hour.

The library held an abundance of books, up-to-date magazines, vertical files, and reference books. Study carrels were available for catching up on classwork or using reference books. Conference rooms provided a place where students could work together without disturbing others. A new addition to the library this year was a XEROX machine.

With its comfortable lounge chairs, good books, and green plants; the library was just a nice place to be.

English Can Be Work

All students at Captain Shreve took a foreign language better known as English. Freshmen and sophomores took English I and English II in which they expanded their grammar skills and vocabulary. They also studied various styles of short stories, novels, and poetry. English III dealt primarily with American literature dating before the American Revolution through the present day. Seniors could take English IV in which they learned about literature from England.

English was one of the most vital subjects taught at Captain Shreve. It prepared students for their future needs, whether their plans included college or a vocational career.

English Can Be Creative

English doesn't have to be all work; it can be fun and creative, too. In addition to taking a regular English course, in which grammar and literature were taught, students could also have chosen journalism, creative writing, speech, drama, humanities, or novels classes. These classes helped students to become better writers and to express themselves more clearly.

Literature was defined by one teacher as the "FBI": the Facts of life, the Beauty of life, and the Interpretation of life.

English might have appeared as a boring task but, throughout the years, students realize how beneficial it really was.

Social Studies Students Gain Knowledge

The Social Studies classes at Captain Shreve were busy this year learning about our country's past and present history. Students had a chance to express and exchange their opinions on current and past events.

Social Studies consisted of a wide variety of subjects including American History, Geography, Free Enterprise and many others.

Social Studies students also had the opportunity to present skits, and do extra research in order to gain insight into our American history.

Math Is Abundant at Shreve

This year two math credits were required to graduate from Captain Shreve, but many were offered. Among those were General math, Algebra I, Geometry, Algebra II, Advanced Math, and others.

Algebra I, Geometry, Algebra II, and Advanced Math and Business Math prepared the students for everyday problems and financial needs.

Competent teachers educated the students in the area of mathematics.

Science Has Interesting Elements

The science department of Captain Shreve introduced students to material that would help them in understanding the world in which they live. This department offered courses which included general science, biology, chemistry and physics.

All types of teaching aids were used: such as films, science lectures, and laboratory experiments. General science served as the foundation in the many fields of science. In biology, students learned the principles of plants and animals. In chemistry and physics, the classes dealt with the study of elements through experiments.

P.E. Stresses Good Sportsmanship

Physical Education at Captain Shreve taught students the necessary skills for many sports and activities. The program was designed to encourage good sportsmanship and to show students the value of working with others as a team.

During the 1978-79 school year students stayed active by participating in a variety of sports such as football, soccer, basketball, handball, volleyball, baseball, tennis, archery and bounceball.

Through activities such as these pupils developed physically as well as mentally.

Business Is a Prime Factor of Economy

For interested students at Captain Shreve, the business department offered courses that would help them in the economic world. It offered many courses including bookkeeping, clerical practice, general business, shorthand and typewriting. All of these courses taught students valuable business skills. Shorthand introduced an abbreviated system of writing through the use of signs and symbols. Bookkeeping gave the fundamentals in accounting. Typewriting instructed students in the use of an important communication tool. All of these courses were conducted with the hope that business knowledge would be an asset in the student's futures.

D.E. and C.O.E. Are Valuable

Students who enrolled in either Cooperative Office Education and Distributive Education were in for a rewarding experience. Offered in these programs were training in shorthand, typing, and bookkeeping.

D.E. students went to school for the first three hours to take their required classes, then went to work for the rest of the day. Not only did they obtain experience in working with people; but also, they were paid for their work. Students were employed in various jobs such as; packaging in a pharmacy, checking out groceries, selling shoes, and planning ads for stores. The experience gained in taking one of these courses was valuable.

Foreign Languages Increase Awareness

Four foreign languages were offered at Captain Shreve: French, Spanish, German, and Latin. Each of these subjects also had its own club. These clubs participated in the foreign language olympics and a foreign language Christmas party. These classes taught the basic skills in reading, speaking, writing, and grammar. Students also learned about the geography of the country and the customs of the people speaking the language they were studying. After the completion of a foreign language course, students were more aware of the happenings in the world around them.

Music and Art Express Feelings

Students were able to develop their own techniques and form a better understanding and appreciation for art through Captain Shreve's Art Department. The students were also able to express their feelings in artwork by using colors and shapes. Art students often had their drawings hung on the bulletin boards in the office.

Students interested in music could take music, band, orchestra, or choir. Marching band was required for those who took band. Stage band could be taken by those students who showed extra talent in music. Many festivals were attended and numerous awards brought home.

ROTC Emphasizes Leadership

The ROTC program at Captain Shreve instilled a sense of honor and patriotism in the students participating in this program. In the classroom, students were taught to read maps, use weapons correctly, and perform drill practices. Along with these skills, they were also taught military strategy and military history. Many of the students in ROTC participated in various activities including the drill team, rifle team, and color guard. At homecoming, the rifle team performed. Through the course of the year, ROTC members proved to be valuable to Captain Shreve.

Electives Teach Useful Skills

Captain Shreve offered a variety of electives this year including home economics, mechanical drawing, small appliance repair, speech, and woodworking. These courses represented a change from the usual reading, writing, and arithmetic.

In home economics, the girls learned how to cook, sew, and perform other aspects of homemaking. Mechanical drawing taught students skill and accuracy in drawing. Small appliance repairs taught the students how to repair and care for small appliances. All of these electives gave the students a chance to learn new and meaningful skills.

Career Center Teaches Job Skills

The Caddo Career Center served as an extension of local high schools for students who were interested in obtaining jobs immediately after graduation from high school. The Career Center offered courses such as Commercial Art, Printing, Welding, Auto Mechanics, Electronics, Health Occupations and Fashion Design.

The Caddo Career Center helped the student to discover himself, to learn a skill, and to choose a career in the business world which reflects this knowledge.

Cafeteria Has a Variety of Services

Captain Shreve students were offered two hot meals a day, breakfast and lunch. Lunch was served in two lines, the hot lunch line and the sandwich line. A salad bar was provided for those who wished to take advantage of it.

Teachers were on duty daily during lunch to make sure that the students' trays were put up.

Special meals were fixed, such as Thanksgiving and Christmas dinners. Thanks to Mrs. Kathleen Johnson and her diligent workers, there were some memorable meals in the Captain Shreve cafeteria.

The Circles of Shreve

Captain Shreve High School is very unique. It is the only school in the area shaped like a circle. This was not the only circle that made our school unique though. Within the school were many circles, not ones you could actually touch or see like the walls of the schools, but circles just the same. There were circles of spirit, love, and even disappointments. Every student at Shreve had a circle to belong in — one where he could find things he enjoyed and people to share it with. It was these circles that actually made the school, not the concrete walls. For the true meaning of life at Shreve was captured within these circles.

The Circle of Spirit

Spirit has always been an essential part of Captain Shreve. This year was no exception. That old Gator Spirit rang through the halls as the school year got under way. During the 1978-79 year, many students and teachers made an extra effort to increase school spirit. Even the principal, Mr. Powell, went the extra mile and participated in a football pep rally skit. To the delight of the students, he ended up with a pie in the face. Shreve Spirit was exhibited in other ways too . . .

. . . spirit banners, pep rallies, fund raising projects, car and house decorations, class spirit days, and club spirit weeks were all ways in which Shreve students showed their enthusiasm and pride for school, for team, for self. Gator Spirit made the school year fun and worthwhile — a year to be remembered.

The Circle of Challenges

During the 1978-79 school year at Captain Shreve, students were faced with many challenges. Student Council elections, school work, and meeting up to the high standards of many athletic teams and service clubs were a few challenges that every student faced at Captain Shreve. Once one challenge was accomplished there was always another one to take its place. The accomplishments that came with most of these challenges gave the students a feeling of success. This sense of accomplishment was but one of the many things that made this school year worth while.

The Circle of Happiness

This past school year was filled with many experiences that made us happy; ones we will remember the rest of our lives. There was no way to list all the things that took place during the year that made us enjoy life a little more. Friends, extra-curricular activities, parties, good grades, victories, and holidays, were only a few of the events that brought a feeling of joy. This feeling was captured in simple ways too . . .

. . . A smile or a friendly hello made the day a little easier to bear and go by a little faster. Of course there were times that were not so pleasant, but that only happened once in a while. The Circle of Disappointments

During the past year at Captain Shreve, everyone had their good times, of course, but there were still some disappointments along the way. Unfortunately, everything could not be perfect all the time. Everyone, at some point or another during the school year, was disappointed or discouraged about something. Whether it was a bad test grade or losing a district football game, the feeling of disappointment never seemed to last very long. There were always fun times and exciting moments to lift spirits once again. These disappointments during the year made the good times even better, and the 1978-79 school year one to remember.

The Circle of Knowledge

Knowledge is the satisfaction of understanding something through experience of association. It is the never ending process of accumulating new facts and then putting them to good use.

Many students at Captain Shreve gained a great deal of knowledge this year, academically. Through classes, and hours of study, students learned everything from the anatomy of a crayfish to the works of Shakespeare. Students also gained a better understanding of life through the many experiences of high school life.

A Never Ending Circle

Circles are unique in that they have no beginning or end. They just go on and on. And like a circle the memories, hopes, and friends of Shreve will go on forever in the hearts and minds of its students.

GATOR

In the fall, a random survey was given to Captain Shreve students. This survey was for the LOG. Many observations were obtained from this survey. Such as, CS students preferred sports cars rather than luxury cars, and except for partying, sports dominated Gator Pastimes.

It was also discovered that many students had trouble following directions. When asked to specify "yes" or "no", the answer was often "sometimes" or "maybe". Students also had difficulty in making one choice or selecting from the choices given.

Council Improves Communication Gap

The Student Council's main goal was to improve communication between the council, faculty, and the student body. Many activities were set up to accomplish this goal. Some of these activities included taking charge of homecoming and Student I.D.'s. The student council members also sold parking permits and held homecoming court and class officer elections. Under the direction of Mr. Matt Perdue and Mr. Johnny Burnom, the council attended the L.A.S.C. Convention, and sent birthday cards to teachers.

The 1979 Student Council Salute 12 Year Teachers

At the end of twelve years, Captain Shreve has grown into an outstanding institution of learning mainly because of its exceptional faculty and administration. The 1978-79 Student Council would like to recognize the loyal and dedicated staff members that have worked at Shreve for the past twelve years. These people have unselfishly given their services as coaches, counselors, service workers, and of course principal. In years to come Captain Shreve will continue to grow and to maintain its excellent reputation because of tremendous contributions made by these outstanding members of the staff and administration.

Z-Club Donates Time, Energy, and Talent

Captain Shreve's Z-Club, sponsored by Miss Lee, was a service club composed of thirty-six girls. Members must have been sophomores, juniors, or seniors, and must maintain a 2.75 average. The purpose of Z-Club was to offer services to the school and community.

Throughout the year, Z-Club members visited Louisiana Nursing Home once a month. For Halloween, Z-Club had a party for the Brooks Street Children, complete with a witch, candy, and cupcakes. In December, the Z-Club presented a style show. Spectacular door prizes were given away and all proceeds were donated to the Kidney Foundation. For Christmas, Z-Clubbers decorated the office foyer. Also, they sold candy-filled Christmas stockings. Throughout this school year, Z-Club worked diligently to serve the school and community.

Astra Provides Much Service

Astra Club, sponsored by the Altrusa club, performed many activities this year. Under the direction of Mrs. Judy Horne, Astra offered services to the school and community. The members served as guides for the Red River Revel and worked at the Poor Man's Supper. The girls also visited the children's ward at L.S.U. Medical Center. At Halloween the members sold and delivered Halloween Treats. Astra promoted much school spirit by putting streamers on cards and selling "Dunk 'Em Gators" buttons. During spirit week the club held a breakfast and performed a skit.

Interact Works to Provide Services

Interact, an organization whose main purpose was to provide services, aided certain needy causes of the local community as well as the school.

Under the direction of Mr. Dominic Salinas and Mr. Tony Kauffman, Interact served the Shreveport-Bossier community in many ways. In October, the club assisted in giving a Halloween party on Brook Street. In November, club members participated in the relief program for the Bossier City tornado victims. Also, bells were rung for the Salvation Army in December. On into the spring, Interact collected for the Heart Fund. By providing these and other services to the community, Interact showed another example of Shreve's excellent service clubs.

Key Club Works Together

The Key Club, sponsored by Mr. Jack Bogan, was very active in providing services to the school and community this year. The members presented a skit in a pep rally and sold "Captain Shreve" caps. During Christmas, the members helped Sister Margaret deliver Christmas toys and food to needy families in the Shreveport area. Other services included providing relief to the Bossier City tornado victims. The Key Club also proved to be helpful by giving their time to collecting for the March of Dimes. By providing these services and others, the 1978-79 Key Club was a necessary service club to Captain Shreve.

Leo Club Helps the Community

The Captain Shreve Leo Club, a co-educational organization, participated in many projects to help the community.

During the Thanksgiving and Christmas seasons they collected canned foods to help Christian Services. They organized many projects to help the school, such as cleaning the parking lots after the Friday night football games. The Leo Club helped to promote school spirit by painting banners and hanging them around the school as well as in the stadium. They financed their projects with candy sales.

Octagon Club; Pieces of Eight

The Octagon Club, one of the co-educational service clubs at Captain Shreve, served both the school and community with several work projects this year.

Under the direction of Ms. Judy Langley, club members collected toys and clothing for Sister Margaret McCaffery, held a car wash for Muscular Distrophy, and worked with the Northwest School. The students also performed a skit for a pep rally, held a car decorating contest, sold Easter treats, and sponsored basketball month. By providing these services, the members had a very good year.

French Club Becomes Aware

The Captain Shreve French Club promoted an interest in the French langauge, the country of France and its people's customs. Members became acquainted with French people and many of them spoke the language well. The only requirement was that the student had taken a French course.

The fifty club members participated in various French cultural programs including a visit to Meadows museum to see its French paintings. They also attended dinners with guest speakers who helped increase their awareness of France. To aid in supporting the club's activities, candy was sold.

The advisors Mrs. Chalfant and Mrs. Hicks hoped the members became "au courant" in all aspects of French during the year.

Spanish Club Learns Spanish Customs

The purpose of the 1978-79 Spanish Club at Captain Shreve was to learn more about life and customs of Spanish speaking nations.

El Club de Español hosted the interlingual Christmas party. This was a party with foods from various countries. Members of the club went to dinner several times a year at various local Mexican restaurants to learn more about the lifestyles of Spanish speaking people. In the spring El Club de Español competed with other foreign language clubs in an olympic contest. Each club member was required to have at least one Spanish credit or be currently enrolled in Spanish.

Black Studies Stresses Cultural Enrichment

The Black Studies Association this year completed many different activities during the 1978-79 school year.

This club, advised by Mr. Rudolph White, Mrs. Lena Leviston, and Mrs. M. D. Green, sponsored activities such as the Sickle Cell Anemia Drive. The club also had a candy sell, attended church services, and held a fund raising car wash. Through these projects, students gained knowledge of their talents and valuable pride. Club members showed interest in supporting the school spirit by participating in a pep rally during the football season. Once again, Black Studies members sponsored the Black History Week.

German Club Celebrates Festivals

Captain Shreve's German Club held several parties in correspondence with German festivals, such as Fasching, and German Christmas. They also attended the Texas Association of German Students convention.

Mrs. Ruth Page, sponsor of the club, organized other events which included soccer games, speakers, films, and slide presentations.

The club also shared activities with German clubs in other schools. The purpose of these events was to share German culture and language in a social atmosphere.

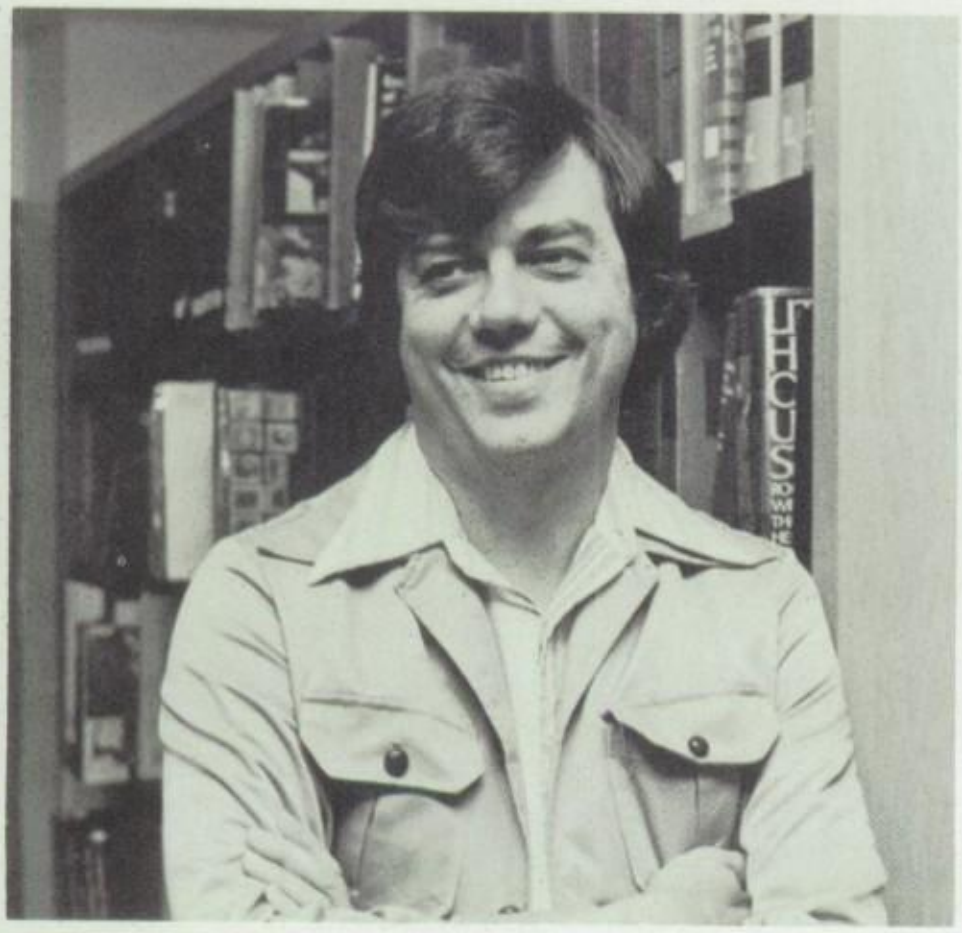
Debate Team Speaks With Experience



The 1978-79 school year was a busy one for the Captain Shreve debate team. Accompanied by the drama team, the debate team attended forensic tournaments throughout the state, including Tournament of Champions. In February, the speech and debate department hosted the Captain Shreve tournament. Under the direction of Mr. Jack Bogan, the Gator debaters spent many hours preparing for the annual CS spring talent show, SHOWBOAT. In exchange for hard work and worry, the team received tangible awards such as trophies and intangible awards of knowledge and experience.

Latin Club Stays Active

An important goal of the Latin Club this year was to try to serve Captain Shreve in any way possible. The club sold corsages during homecoming and attended an Inter-Language Club Christmas Party. They also promoted school spirit by participating in a skit during a pep rally. Sponsored by Mrs. Sherry Yerger, Latin Club members were involved in the Inter-Language Club Olympics during the spring. Some members were sent as delegates to the state JCL convention. In addition to these activities this year, they designed and bought new club shirts and sold 'Captain Shreve' glasses as a money-raising project. Again this year the Latin Club provided a basis for a better understanding the Latin language, history and culture.

FHA Encourages Universal Brotherhood

Future Homemakers of America helped its members to grow as individuals and prepared them for future family and community living. The members were encouraged to become involved in home and community affairs. The organization promoted universal brotherhood and a better understanding of man.

Under the guidance of Mrs. Mitchell and Miss Obee, FHA members visited the Shriners' Hospital as well as local nursing homes. Members also raised money for St. Judes' Children's Hospital in Memphis, Tennessee. Through activities such as these, FHA members made the 1978-79 year a successful one.

4-H Helps Community

The active 4-H Club was an asset to Captain Shreve and the community. During the year, 4-H members were encouraged by their sponsors Mrs. L. B. Mitchell and Miss Obee to develop their own individual projects. The purpose of the 4-H Club was to provide knowledge and skills for work of the home, farm, and community and to enable members to pursue their talents in this area.

The 4-H Club members were very considerate this year to the needy. They collected clothing for the needy during Thanksgiving holidays. They also collected clothing and canned goods for the unfortunate Bossier City tornado victims.

Participation in these activities not only helped the community but also helped club members during the 1978-79 school year.

Science Club Explores New Fields

This year the Science Club at Captain Shreve, under the direction of Mr. Thomas Branim, explored a wide range of fields. Some activities included a tour of the Lucas Water Treatment Plant and participation in a course of CPR (Cardio-Pulmonary Resuscitation). The club also visited a planetarium to gain more information on our solar system.

Other events scheduled by the Science Club during the year were participation in the Science Fair and a tour of the Louisiana State Medical School in Shreveport.

Art Club Brightens School

The Art Club of Captain Shreve with President, Leigh Henderson; Vice-President, Chris Haacher; Secretary, Linda Smith; and Treasurer, Wendy Lehr participated in many activities to make the school more attractive. The club members were responsible for decorating the special box in which the Homecoming Court sat at the football game. They drew and framed emblems for each club. These were put on display throughout the school. The members painted all the trash cans in the school to add color to the halls.

History Club Plans Trip to New Orleans

The purpose of the 1978-79 History Club at Captain Shreve was to gain a better knowledge of the history of Louisiana and the United States.

Officers Betty Wiener, President; Melanie Taylor, First Vice-President; Lisa Cireno, Second Vice-President; Susan Slater, Secretary; and Cindy Cameron, Treasurer, arranged for speakers to attend the meetings and acquaint the members with historical facts.

During Christmas, the club members took candy canes to the children's wing at Louisiana State Medical Center. The members visited New Orleans in the spring. This trip was funded by candy sales.

FCA Promotes Christian Attitude

FCA, the Fellowship of Christian Athletes, was an organization that brought together athletes interested in living lives centered around Christ. At meetings, by sharing his experiences, Coach Powell, who sponsored FCA, taught the members ways to bring Christ into their lives. Also, members discussed their experiences and the impact they had on their lives. Another purpose of FCA was to build character, and strengthen leadership abilities. The officers, Eric Webb, president, Tom Buckner, vice-president, and Todd Hughes, secretary, as well as other members, set good Christian examples for the student body.

Computer Club Plans for the Future

The Computer Club which was sponsored by Mr. C.O. Sellers, was an organization which promoted an interest in the world of data processing. Members of the Computer Club were enrolled in Computer Programming and Advanced Math.

Members of Captain Shreve's Computer Club studied different types of computers, computer programming languages, and their application in this rapid-paced technological society. Activities of the Computer Club included a visit to the L.S.U. Medical School to study their data processing system. Classroom visits by programming experts, and demonstrations of microcomputers now available on the market were also some of the educational activities of this year's Computer Club.

Choir Members Gain Experience

This year, the Captain Shreve High School Choir developed many skills and gained experience in the field of music. Greater experience was gained as they held a number of concerts at many of the elementary and junior high schools. The members also sold "Captain Shreve" glasses and candles. They entertained senior citizens by singing at nursing homes. The members accomplished these activities successfully because they were sincere and appreciative. Mrs. Hattie Wade sponsored the choir group and worked with its members to achieve a greater appreciation for music.

Orchestra Is Carefully Conducted

The Captain Shreve Orchestra was a big success this year. It gave many students a chance to develop their musical talent.

The objective of this organization was to gain a thorough musical background that would profit the members later in life. This was achieved through careful study, practice, and performance. The members also developed an appreciation for music in any style or medium. Under the direction of Mrs. Parker, the group performed at places throughout the city.

FBLA Means Business

Future Business Leaders of America, a national youth organization, encouraged its members to take an interest in their choice of business occupations. The purpose of this year's club was to develop competent, aggressive business leadership.

FBLA members broadened their knowledge of the business world by participating in district, state, and national conventions. Under the leadership of faculty advisors Mrs. Dorothy Flanagan and Mrs. Lena Leviston, members participated in projects such as keeping a scrapbook, going on field trips, selling candy and various other fund-raising projects. Through these activities, members developed good business qualities.

DECA Works Hard at Jobs

DECA enabled students to develop a sense of responsibility and a feeling of security for future business careers. This program was set up for developing future leaders for Marketing and Distribution. The organization consists of 40 members, most of which attended classes half of the day and then went to work at their respective jobs which prepared them for future vocations they may enter after completing their education.

In March the members attended La. DECA Career Development Conference in New Orleans. In May the club combined with CDC and went to a national convention held in Houston. Guided by Mrs. Jan Otwell, members learned the responsibility of holding a job while continuing their education.

Drama Club Shows Determination

The Drama Club of Captain Shreve gave students the opportunity to show their theatrical talents.

The Drama Club presented three major plays. The two fall plays were "Hatful of Rain" and "Smallest of All". Presenting two fall plays was very hard but the students showed their determination to work and devoted most of their time to drama. The spring play "Marathon 33" was very successful. The Drama Club also presented a one act play at the Red River Revel. At the annual spring Drama Club Banquet awards were given for best acting and the best crew. Members also participated in many speech tournaments throughout the state.

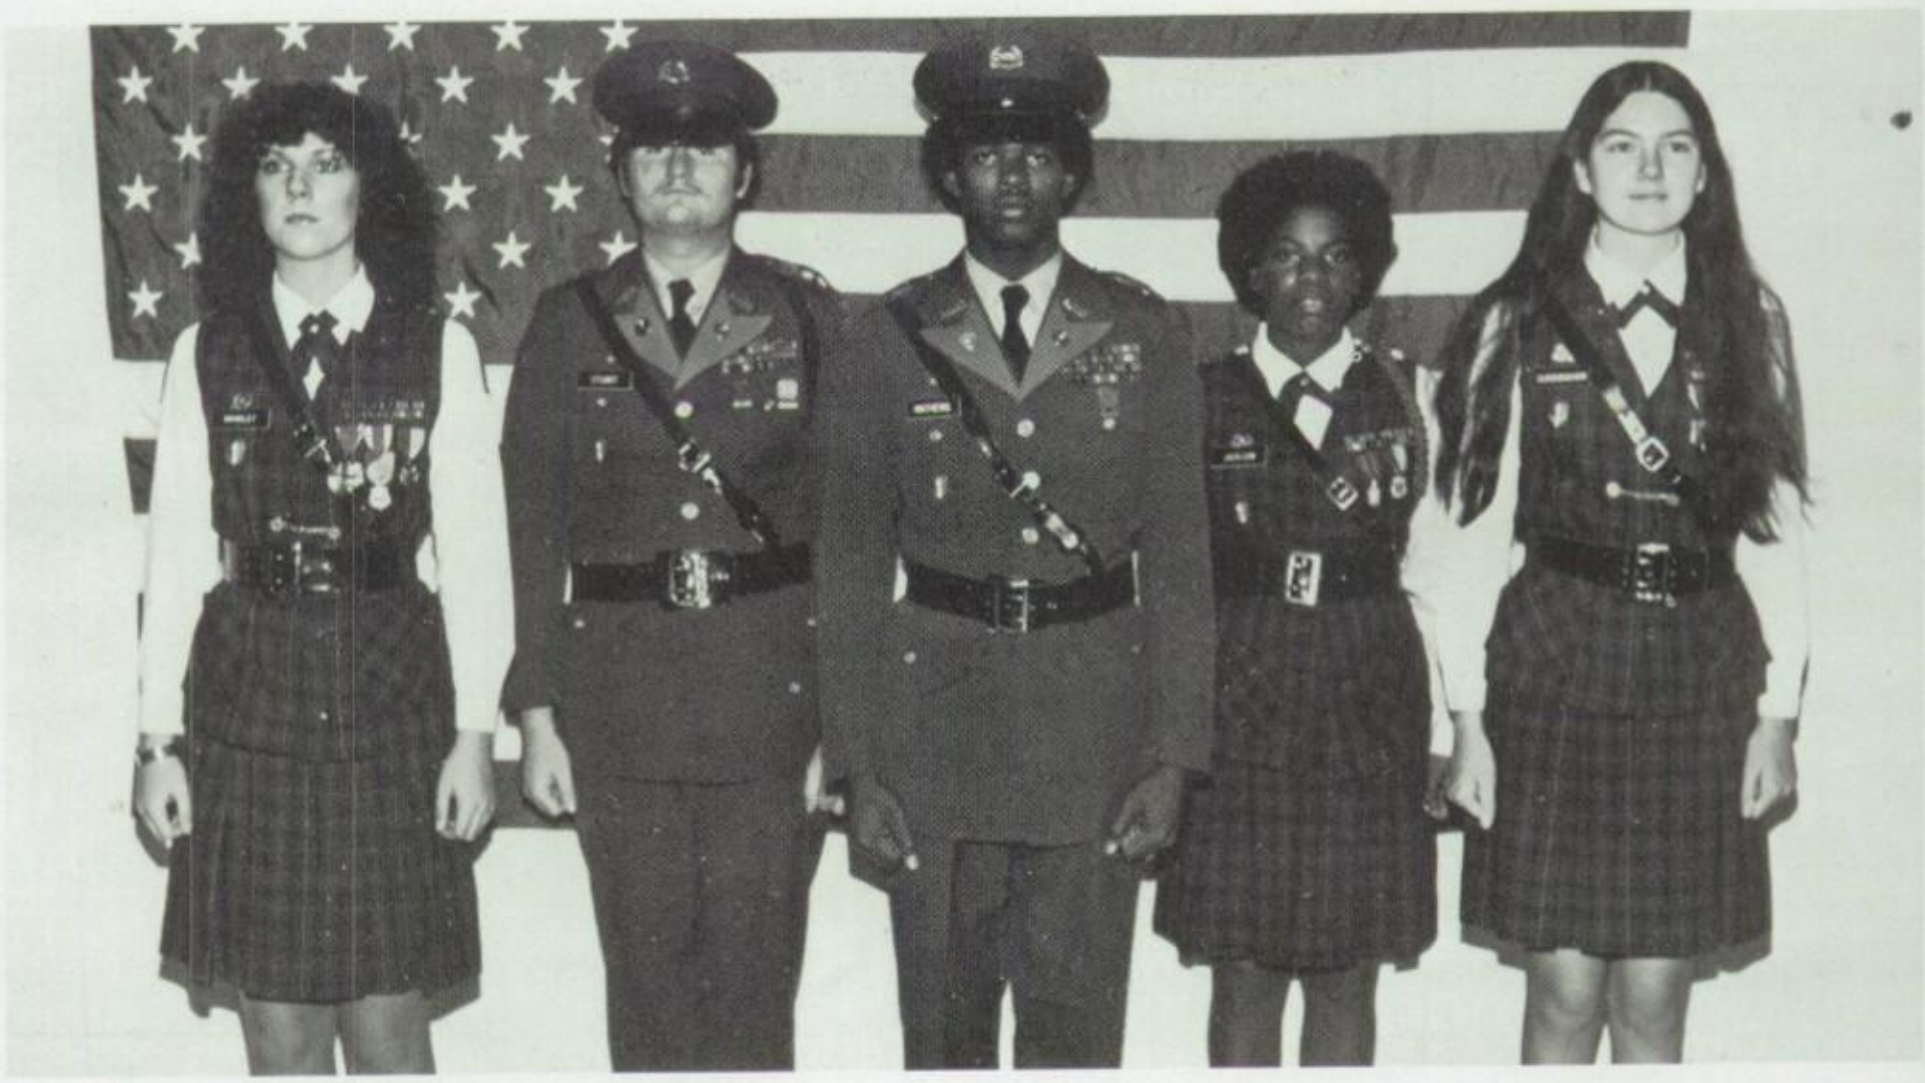
ROTC Training Tomorrow's Leaders Today

The Captain Shreve Junior ROTC had many competitive and social activities throughout the 1978-79 school year. The Drill Teams and the Rifle Teams competed locally and nationally.

The Caddo Parish Cadet Corps Commander, Cadet Colonel Thomas M. Buckner, worked with LTC Herman E. Schubarth, Director of Army Instruction for Caddo Parish Schools, in coordinating the competitive and social activities of the cadet corps at the ten parish high schools.



TOP RIGHT: Cadet Colonel Thomas M. Buckner. ABOVE: Left to Right: Nancy Brinkley, Robert Stuart, Anthony Matthews, Geroalyn Jackson, and Sally Cunningham.

ROTC Emphasizes Good Citizenship

The objectives of the Army Junior Reserve Officers Training Corps are to develop in each cadet good citizenship, self-reliance, leadership, responsiveness to constituted authority, a knowledge of basic military arts and sciences, an appreciation of the role of the U.S. Army in support of national objectives, and an ability to communicate effectively both orally and in writing.

Shreve's Junior ROTC program of Instruction was rated in the top twenty percent in the nation by a Federal Evaluation Team and was awarded the Honor Unit with Distinction Award by Washington, D.C.

CS Drill Teams Work Hard

The Captain Shreve Drill Teams worked hard during the 1978-79 school year. Under the supervision of their sponsor, Sergeant Major Murry J. Huffman, they traveled throughout the states of Louisiana, Texas, and Arkansas. They participated in various high school and college competitions, and community parades.

The Female Drill Team was commanded by Jackie Jewitt and the Male Drill Team was commanded by Talben Pope. The hard work and dedication of these highly skilled cadets paid off in trophies.

ROTC Teaches Survival

The Special Forces Club, or Explorer Post 94, sponsored by Sergeant William Freeman Jr., received training in orienteering, survival, and small unit tactics. Commanded by Russell Campbell, the unit participated in several overnight outings to the wilderness area of Barksdale Air Force Base and to Garland Scout Ranch.

Orienteering was an out door competitive sport that combines athletic ability with map-reading and direction finding skills. Newly organized this school year, the Orienteering Club, sponsored by Sergeant Major Murray J. Huffman, traveled to high school, college and community orienteering meets in Louisiana, Arkansas, and Texas. Team members were successful in winning several trophies.

CS Rifle Teams Aim High

The Captain Shreve Varsity Rifle Teams had a very good reputation in city, regional, and national competition this year. They were affiliated with the National Rifle Association and earned a total of 52 trophies and plaques.

Twenty-seven highly skilled Shreve students participated in the varsity letter producing sport. Sergeant Major Henry J. Chiasson, head of Shreve's Junior ROTC program and a certified NRA marksman instructor, coached the teams.

Ad Staff Is Special to Shreve

This year, the football ad staff worked to produce the football programs. Members under the direction of Mrs. Judy Horne, spent the summer selling ads. The six girls who sold the most ads were named ad staff managers for the 1978-79 school year. During the school year, ad staff members produced and sold the football programs. For homecoming, the ad staff produced a special supplement to the program.

Another important job of the football ad staff was planning a banquet in honor of the 1978-79 football team. For this special event ad staff members created programs and decorations, and also paid for part of the banquet. During the 1978-79 school year, the football ad staff contributed much to the enjoyment of football at Captain Shreve.

Enterprise Keeps Shreve Informed

Under the supervision of Mrs. Gaye Gannon, the 1978-79 Enterprise staff worked hard at keeping Captain Shreve students informed on a wide assortment of current events. While promoting excellence in journalism, the Enterprise staff put out ten issues of the Enterprise during the school year. In these issues, pictures were taken and articles were written on people, club activities, and many other types of news.

The twenty members of the staff were approved by Mrs. Gannon and each assigned to certain duties. Co-editors were Craig Hammett and Karen Rosengrant, and the assistant editor was Laurel Spivey. With the help of these editors and Mrs. Gannon, the Enterprise staff was able to put out informative as well as entertaining newspapers.

Log Staff Works Together Year Round

Under the direction of Mrs. Dorothy Flanagan, the members of the 1978-79 yearbook staff worked together as one in planning and assembling this year's 424 page LOG. Editors DeDe Deal, Cara Derrick, and Renea Ryland supervised the production of the yearbook by providing help to all members.

Various duties and activities kept LOG staff members busy during the summer as well as throughout the school year. There were ads to be sold, layouts to be made, pictures to be taken, and deadlines to be met. Also, a yearbook camp was held during the summer. From the first rough draft to the completed yearbook, LOG staff members gained a valuable experience that will never be forgotten.

Mr. and Miss Captain Shreve

Pat Booras Michele Aura

Mr. and Miss Represent Captain Shreve

Each year the LOG Staff honors two outstanding seniors to be Mr. and Miss Captain Shreve. Mr. and Miss were selected because of their faithful participation in school activities and how well they reflected Gator life throughout their years at Captain Shreve. This year, Michele Aura and Pat Booras were chosen to represent Captain Shreve.

Michele Aura was a very active member of the Drama Club, Z-Club, and the pep squad. She was also in the National Honor Society and Mu Alpha Theta. Pat Booras was a member of Key Club, National Honor Society, and Mu Alpha Theta. Also, he worked on the Enterprise Staff and kept the statistics for all basketball and baseball games.

TOP LEFT: Mrs. Gannon discusses with Pat the sports section of the Enterprise. ABOVE: Mrs. Aderhold and Michele check-out the results on the spring play ticket sales.

Outstanding Students Elected Who's Who

Each year the faculty at Captain Shreve selects students who best displayed the qualities of leadership, scholarship, good character and responsibility. The eight students chosen to represent Who's Who at Captain Shreve were Pat Booras, Belinda Cornelius, Cynthia Phillips, SuSu Palmer, Tom Buckner, Sally Jo Cunningham, Hersey Jones, and Debra Jury.

Pat Booras was a member of Key Club, National Honor Society vice-president, Enterprise Staff, Mu Alpha Theta and Mr. Captain Shreve. Belinda Cornelius was a member of Black Studies, Student Council, History Club and Computer Club. Cynthia Phillips was very active as a cheerleader, and a member of Astra Club, Latin Club, NHS, and the Bi-Racial Committee.

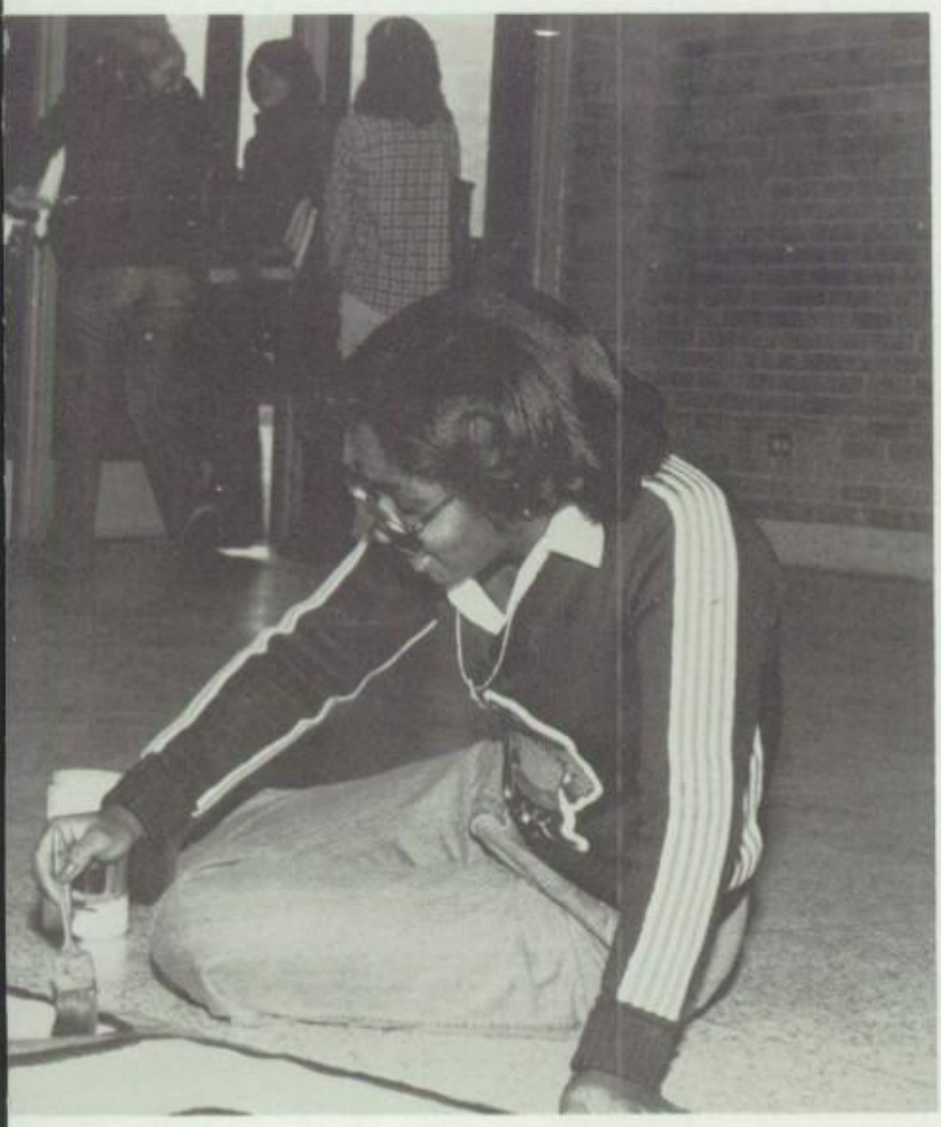
RIGHT: Hersey Jones and Belinda Cornelius tally election votes for Student Council. TOP LEFT: Pat Booras writes a sports article for the **Shreveport Times** about the CS football game.



Tom Buckner was elected vice-president of NHS, Consul of the Latin Club, Caddo parish ROTC Cadet Corps Commander, National Merit Semi-finalist, and played football. Sally Jo Cunningham was a member of Drama Club, Officers Club, Concert Band, District honor band and a National Merit Semi-finalist. SuSu Palmer was elected cheerleader, vice-president of Z-Club, Student Council vice-president, Interact sponsor, and served on the advisory committee. Hersey Jones served Shreve as Student Council president, delegate to Boys' State and a member of the FCA, the football team, and Black Studies. Debra Jury was active at Shreve as a cheerleader and a member of Astra Club, Black Studies, FBLA, the Bi-Racial Committee, and NHS.

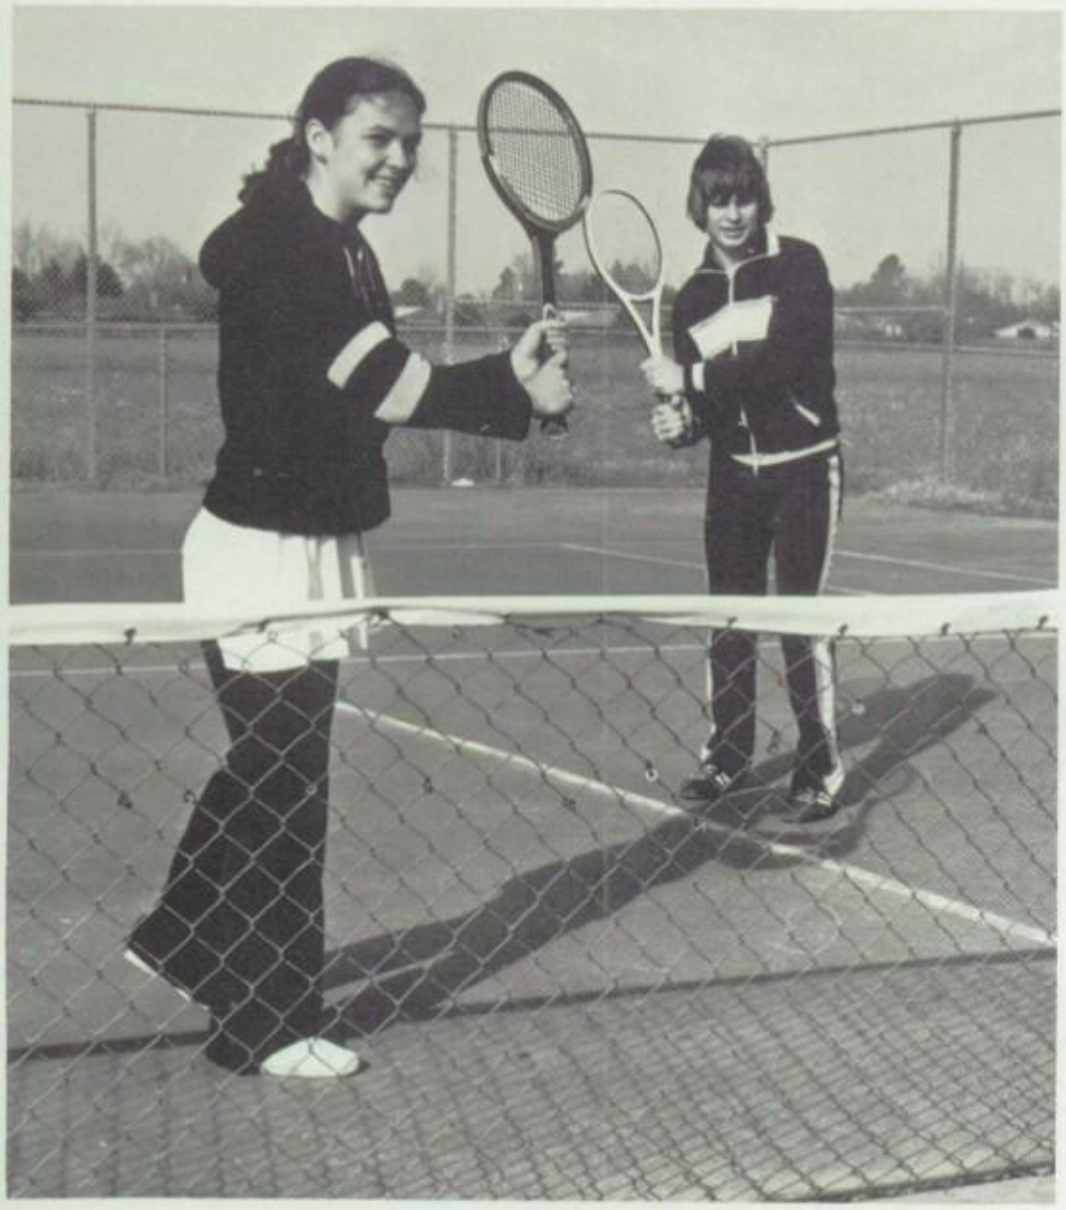
Class Favorites Are Active

Danette Faour and Richard Lamb were elected to serve as senior class favorites. Danette was elected favorite of her class for four years. She also served on the homecoming court her sophomore and junior years and reigned as Homecoming Queen her senior year. During her junior year, Danette was a member of Leo Club, the Captain Shreve Gatorettes, and served on the Prom Court. She was elected cheerleader and was a Key Club sponsor during her senior year. Her hobbies include partying, water skiing, and shooting.

Richard Lamb was a member of the football team his freshman, junior and senior years, and played baseball his freshman and junior years. He also participated in track his junior and senior years. Richard was class president and served as vice-president of the junior class. During his junior and senior year he was a member of FCA and Interact. Richard's pastimes include partying, sports, water skiing, trapping, and shooting.

Donna Turnham and Joe Cook represented the favorites of the junior class. Donna was elected to serve as homecoming maid her sophomore and junior years. During her sophomore and junior years, she was a member of Z-Club and the LOG staff. As a junior, she was a member of the Captain Shreve Gatorettes and served as an Interact sponsor.

Joe Cook was a member of the junior varsity football team his sophomore year. During his sophomore and junior years, he was an active member of Interact. Joe's hobbies include sports and playing basketball.



Pattie Harrison and Tony Davis were the favorites of the sophomore class. Pattie was an active member of the tennis team her sophomore year. She served as a Student Council representative and was sophomore board member for Z-Club. Pattie enjoys water skiing, swimming and playing tennis.

Tony Davis was an active member of Interact. He was also a member of the junior varsity football team. Tony's hobbies include water skiing, fishing, hunting, and sports.

Mary Stamper and Ricky Fox were elected to serve as freshman favorites. Mary represented the freshman class during homecoming as the freshman maid. She enjoys playing the piano, horseback riding, skiing, dancing and motorcycles.

Ricky Fox was a member of the junior varsity football team. His hobbies include water skiing, hunting, fishing, and motorcycles.

NHS Ranks High

The 1978-79 school year was a year of challenge for the Captain Shreve chapter of the National Honor Society. The society gained two new sponsors, Mrs. Jo Amy Wynn and Mrs. Barbara Hamilton. Another major change took place when the grade requirement for eligibility was raised from 3.0 to 3.3.

In order to be considered for NHS, a student must be a junior or senior, have a 3.3 grade average, and be an active member of at least two service organizations. Junior members were initiated in the spring and ushered at Baccalaureate and Commencement exercises.

The majority of NHS members were academic leaders who displayed their integrity and citizenship in various ways.

Pel Staters Run Simulated Government

Captain Shreve sent 11 delegates to the 1978-79 Pelican State proceedings which were conducted on the Louisiana State University campus in Baton Rouge.

Those students who attended Girls' State and the offices they occupied were: Lillian Galloway, senator, and ways and means committee chairman; Sonja Shelby, city council; Peggy Waddell, city council; Lynn Warren, representative, party whip, and parish party chairman; and SuSu Palmer, representative.

The students who attended Boys' State and the offices they held were: Joey Milner, police jury; Tom Buckner, representative; Chris Marler, representative; Craig Hammett, representative; Andy Freeman, city engineer, and Outstanding Citizen award; and Hersey Jones, city attorney, and secretary of state.

At Pelican State the delegates learned the proceedings and operations of government on local, parish, and state levels. The program lasted one week.

Shreve Actors Honor Thespis

The 1978-79 Captain Shreve chapter of the International Thespian Society was comprised of more than thirty students. In order to become a thespian, a student had to earn at least ten points. One point represented ten hours of work in theatre. A thespian candidate had to be versatile, earning points in more than one area of theatre. After a thespian gained sixty points, he or she became an honor thespian. Inductions were held twice a year, at midterm and in the spring.

In conjuction with the Drama Club, the Thespian Society worked to make the Shreve drama department the best it could possibly be.

Quill and Scroll Honors Journalists

Quill and Scroll was an honorary journalistic organization for those students who contributed quality work for a publication at Captain Shreve. To qualify as a member, a student must have been on the Enterprise Staff, Football Ad Staff or the LOG Staff. Also, members were in the upper one-third of their class.

Sponsored by Mrs. Gaye Gannon and Mrs. Pat LaBorde, the members produced the Captain Shreve handbook at the close of the 1979 school year. This handbook was used at the beginning of the following year and also served as a guide for incoming students. In the spring, a banquet was held in order to initiate the new members into this honorary organization.

Mu Alpha Theta Joins Shreve

This year, Captain Shreve gained a new honorary organization, Mu Alpha Theta. This honors those students who excelled in mathematics. To become a member, a student must have been enrolled in advanced math and maintained a "B" average in every course. Mr. Otto Sellers and Mrs. Marie Blair, sponsors of the new organization, supervised all activities. Regular meetings were held and guest speakers occasionally visited these meetings to lecture on the different aspects of the mathematical world.

Homecoming Fun and Festivities

Members of the 1978 Homecoming Court were honored by students, faculty and fans at halftime during the De Ridder football game. At this halftime presentation, the court was escorted under the arc of sabres formed by the R.O.T.C. and the Gatorettes formed the traditional twinkling crown. The Captain Shreve Band added to the entertainment by providing music.

The maids representing the 1978 Homecoming Court were Lisa Cireno, Debra Jury, Melissa Moore, SuSu Palmer, and Peggy Waddell as Senior maids. Becky Reeves, Susan Sanders, and Donna Turnham represented the Junior class. Sophomore maids included Tanya Gandy and Melanie Snodgrass. Mary Stamper was the Freshman maid. Danette Faour reigned as the Homecoming Queen and was crowned by Mr. Stanley Powell.

Gator Coaches and Team Work Hard Together

The Captain Shreve Gator football team ended the 1978 season with a 6-4 overall average. In district play the Gator victory over Airline, Green Oaks, Minden, and Parkway, gave them a 4-2 district record and placed them third in 2-AAAA Louisiana high school football division.

The football team under the direction of Coach Lee Hedges opened the season by defeating Woodlawn 28-14. They fell in the second and third games to Fair Park and Southwood. They came back to win the next four district games. The Gators ended the season with a reassuring spark for next year. In the last game they defeated De Ridder 13-6 to win the Homecoming game and close out the season.

Gators Shoot For Success

The Golden Gator basketball team made a determined effort during the '79 Basketball season. The 1979 team unfortunately met with agonizing defeat several times. Their three wins and sixteen losses in district 2-AAAA brought them a sixth-place position. Coach Boydstun once again directed the team in hours of practice and hoped his players' shooting would lead them to success. The team gained experience while delighting the fans, and looked ahead with more basketball knowledge from a tough season.

Lady Gators Place Third in District

The 1979 basketball season proved to be a better one for the Lady Gators than the 1978 season. A vital part of the winning team was the three returning starters, Janice Johns, Tammie Kelley, and Carry Seifert. The two new starters were Susan Goldman and Tracy Grissom. These five players were aided by the strong bench developed by Coach Alma Moore.

A district game against Natchitoches — Central was a crucial one for the Lady Gators. Unfortunately, the season came to a close with the final buzzers of the game; the Lady Chiefs won the game. This loss placed the Lady Gators third in District 2-AAAA for the season. Their overall record was 19-5 and 8-3 district.

Shreve Baseball Connects With Victory

An excellent season was once again characteristic of the Shreve baseball team, with 14 wins and 4 losses for 1978. This outstanding play brought them to district playoffs where the team lost by one point in the second game.

The 1979 baseball season brought new faces as well as abundant returning talent. Several had lettered the previous year. The team began practice inside of the gym. Freezing temperatures and rain forced them to start batting practice using a broomstick and tennis ball. This protected windows and improved the skill of watching the ball closely. Coaches Leviston and Conway utilized all other available resources to prepare the players for a winning 1979 season.

Gators Win Titles in State

The 1977-78 Gator Girls team placed first in 4-AAAA regionals with Gator Stephanie Fess defeating another Gator Lauren Cotter. In state championship Lauren Cotter turned around and defeated Stephanie Fess for the state title. The boys' Gator Tennis Team achieved 2nd place in the state tournament falling to a south Louisiana team. In mixed doubles, Lacy Williams and Lillian Galloway won regionals, then on to win state.

Gator Track Team Excels

The 1978 Gator Track Team had many outstanding members. The tracksters participated in many area meets and won many honors. Last year, Willie Thomas placed second in the district mile. Curtis Grappe placed second in the regional pole vault. Other outstanding Gators were Richard Lamb, who threw the javelin for 200 feet, and Lawrence Kahlden, a third year letterman in the high and low hurdles. Other returning lettermen from the '78 team to the '79 team were Lee Moore, Dennis, McClought, Jimmy Williams, Bama LaSource, Stueart Hudsmith, Dennis Ester and Keith Gardner.

Gator Golfers Swing Into Action

The 1978 Captain Shreve Gator Golf Team had a good year. The team entered many local tournaments, tying for 1st place in the Regionals, and placing in the Southwood tournament. The gators also participated in the State tournament at New Orleans. This experience gave the Gators an opportunity for a winning team in 1979.

Returning lettermen from the '78 team were: Bart Dornier, Curtis Crenshaw, and Danny Leslie. These veteran players provided a strong foundation for a strong '79 team.

Just for Fun

Captain Shreve students participated in many various sports not related to school teams. From under the hood of a race car to cold forests in early mornings, students enjoyed themselves during free time. These activities were most often purely for fun. However, those who pursued their sport seriously spent hours practicing, hoping to place high in competition. Others developed their skills just to gain satisfaction. Students' individual activities left them with an overall physical and mental feeling of accomplishment and pleasure.

Shout! Shout It Out!

"WIND IT UP" and other new cheers were introduced this year by the 1978-79 cheerleaders. The cheerleaders learned these new cheers, cheering techniques, and pyramids while attending camp at S.M.U. this summer. At camp, they won five ribbons denoting superior and excellent abilities. Also, the cheerleaders were named a superstar squad.

During the school year, the cheerleaders worked long hard hours selling spirit tags, practicing, and painting banners for the halls, gym, and stadium. In addition, they planned pep rallies which included contests, cheers, and pompon routines. During games, the cheerleaders dazzled the crowds with spectacular cheers and pyramids. Besides these duties, they welcomed our opponent's cheerleaders at home games. Throughout the year, the cheerleaders saw to it that Gator Spirit was kept at its highest point.

Al. E. Gator — A Decade of Gator Spirit

In the March of 1978, Curtis Brice was elected to serve as Captain Shreve's tenth Al. E. Gator. Here at Shreve, Al. E. Gator represents pride, spirit, and respect. Curtis lived up to this reputation by attending all football and home basketball games. During pep rallies, Curtis promoted spirit and enthusiasm and added a little humor.

Besides being Al. E. Gator, Curtis was a member of Interact, the Bi-racial Committee, the Youth Advisory Council, and the NRA. Because of his loyalty, service, and spirit, Curtis Brice truly was the perfect Al. E. Gator for the 1978-79 school year.

Gatorettes Keep That Spirit Up

The 1978-79 Gatorettes had another very successful year of keeping that Gator spirit up. Not only did the Gatorettes present many entertaining half-time shows, but they also cheered at both football and basketball games. They also promoted school spirit by making football tags, decorating football lockers, and cheering at all the pep rallies.

This year the Gatorettes were under the successful leadership of Miss Joyce Jordan. The Gatorettes' constant enthusiasim and spirit truly helped to promote school pride.

We've Got a Team That's Backed by Pride

Pride. A word which describes what has been in the hearts of every student and faculty member at Captain Shreve during the past twelve years. Right from the beginning of this school year, new freshmen and sophomores became a part of the pride and spirit that bonds everyone together at Shreve. These feelings, in juniors and seniors, grew stronger every day.

At all athletic events, students, faculty, and community members gave unfailing support. During pep rallies, proud members of different classes competed for the coveted spirit stick. After twelve years of growing, learning, winning, and losing, everyone knows that "We've Got a Team That's Backed by Pride."

WESTERN ELECTRIC

Can you envision what your life would be like without a telephone? How would you make arrangements for the big ball game? How would you contact your friends for help with your homework? How would the young men make their dates? How would the young women break them?

The telephone has become a necessary part of the American way of life. And, at Western Electric's Shreveport Works, we make more telephones than any other facility in the world.

Western Electric is proud to be a part of the Ark La Tex and we are proud of today's students who will be tomorrow's leaders. Only through a quality education can you be prepared to assume this position.

As John Denver puts it in "The Eagle and The Hawk": "Reach for the Heavens; hope for the future and all that you can be, not just what you are."

Our employees — some of whom attended Captain Shreve High School — have made Shreveport the "Telephone Capital of the World." Perhaps you will help us continue this tradition when you complete your formal education.
